

## Drum Storage Cabinets

**Nosredna 110 Gallon, Manual Close, Vertical Drum Storage Safety Cabinet**, can safely contain (2) 55-gallon drums of flammable liquids. The cabinet features a convenient half shelf for additional storage space for accessories or containers. Drum rollers keep drums elevated off the cabinets sump, while making it easier to load and unload drums. Constructed of powder coated steel, the cabinets are reinforced with double-walled steel including a 1-1/2" air space between walls.
